Chelli Ringstaff

Born for a Purpose

Blooming where you have been planted God knows why he created you. He even scheduled every day of your life. God is always with you, and he is pointing you in the right direction. Stay close to Him.

Wendy & Eric Pletcher

Miraculous Plants

Plants are one of the most miraculous things created. "He causeth the grass to grow for the cattle, and herb for the service of man: that he may bring forth food out of the Earth;" Psalm 104:14

The How and Why of Growing Microgreens

Microgreens are the stage of a plant that comes after sprouting and the cotyledons are visible. They are harvested before or right at the stage where the plant develops its true leaves. They are nutritionally dense, taste better than their mature counterparts, are extremely easy to grow and harvest and, if you are able to grow a plant to maturity in your yard and collect the seeds, they are free!

The Intercessor: The Solitude in Prayer

Paul in 1 Thessalonians 5:16,17 says be joyful always, pray continually. How does this look like? James 5:16 says "The effectual fervent prayer of a righteous man avails much.. Even as we intercede for ourselves and others let's remember the Lord has his time and his ways Above all he desires that all of us may enter into a saving relationship with him where there is fullness of joy and endless possibilities!

For such a time as this...

The Bible acknowledges that life is composed of various seasons, each with its unique challenges and purposes. The Bible also encourages, embracing each season, understanding its value, and trusting in God's timing and purpose. Let's explore what scripture reveals about life's seasons and our purpose. James 1:2; Ps. 91:14
